Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Employing an extra teacher for 2 days to ensure primary classes had smaller groups for literacy rotations.
- More individualized attention in the early years.
- Building teacher capability with the introduction of coaching and feedback.
- Employing a learning support teacher to enhance intervention strategies through the purposeful use of data and analysis and feedback to teachers.
- Provided precinct planning days for staff.

Our school strategies are showing substantial progress toward our targets
